• The material in this presentation (“material”) is not and does not constitute an offer, invitation or recommendation to subscribe for, or purchase, any security in Grange Resources Limited (“GRR”) nor does it form the basis of any contract or commitment. GRR makes no representation or warranty, express or implied, as to the accuracy, reliability or completeness of this material. GRR, its directors, employees, agents and consultants, shall have no liability, including liability to any person by reason of negligence or negligent misstatement, for any statements, opinions, information or matters, express or implied, arising out of, contained in or derived from, or for any omissions from this material except liability under statute that cannot be excluded.

• Statements contained in this material, particularly those regarding possible or assumed future performance, costs, dividends, production levels or rates, prices, resources, reserves or potential growth of GRR or, industry growth or other trend projections are, or may be, forward looking statements. Such statements relate to future events and expectations and, as such, involve known and unknown risks and uncertainties. Actual results and developments may differ materially from those expressed or implied by these forward looking statements depending on a variety of factors.
Project Overview

1. MINING AND CONCENTRATION OPERATIONS
2. 100KM SLURRY PIPELINE TO ALBANY PORT
3. CONCENTRATE SHIPPED IN CAPESIZE VESSELS
4. PELLET PLANT PRODUCING DIRECT REDUCTION PELLETS
Project Location – Southdown

- PERTH
- Fremantle
- Bunbury

SOUTHDOWN MAGNETITE DEPOSIT

MUJA POWER STATION

Road
- Proposed 220Kv Transmission Line
- Pipeline Route
- Alternative Pipeline Route
Project Location – Kemaman
